

Could you spare a little time and space?

Would you like to make a real difference to homeless cats in this area?

At the Wear Valley, Darlington & Dales Branch of Cats Protection we rescue and rehome stray, abandoned or unwanted cats and kittens, and we need to add to our team of enthusiastic fosterers in this area.

Every feline brought into our care is fostered in individual volunteers' homes while they are rehabilitated, treated, vaccinated and neutered, ready for new, loving homes.

- 🐾 We're looking for people with patience and a love of cats, who can be 'hands on' and be a foster 'mum' or 'dad'
- 🐾 You can foster in a spare room or might have space in your garden for a 'cat cabin'
- 🐾 Fostering will not cost you anything, as vet bills, litter, cat food, and so on, are all provided
- 🐾 You might think that it will be difficult to part with your foster cats but, in reality, it is not so difficult. Each cat we home is going to get the very best of care because we choose the homes very carefully. Then it becomes almost a pleasure to part with them
- 🐾 You can still foster cats and work... most of us do!

If you would like to join us in this rewarding work, please get in touch.
